

§ 1000.62

§ 1000.62 What is considered program income and what restrictions are there on its use?

(a) Program income is defined as any income that is realized from the disbursement of grant amounts. Program income does not include any amounts generated from the operation of 1937 Act units unless the units are assisted with grant amounts and the income is attributable to such assistance. Program income includes income from fees for services performed from the use of real or rental of real or personal property acquired with grant funds, from the sale of commodities or items developed, acquired, etc. with grant funds, and from payments of principal and interest earned on grant funds prior to disbursement.

(b) Any program income can be retained by a recipient provided it is used for affordable housing activities in accordance with section 202 of NAHASDA. If the amount of income received in a single year by a recipient and all its subrecipients, which would otherwise be considered program income, does not exceed \$25,000, such funds may be retained but will not be considered to be or treated as program income.

(c) If program income is realized from an eligible activity funded with both grant funds as well as other funds (i.e., funds that are not grant funds), then the amount of program income realized will be based on a percentage calculation that represents the proportional share of funds provided for the activity generating the program income.

(d) Costs incident to the generation of program income shall be deducted from gross income to determine program income.

Subpart B—Affordable Housing Activities

§ 1000.101 What is affordable housing?

Eligible affordable housing is defined in section 4(2) of NAHASDA and is described in title II of NAHASDA.

24 CFR Ch. IX (4–1–12 Edition)

§ 1000.102 What are eligible affordable housing activities?

Eligible affordable housing activities are those described in section 202 of NAHASDA.

§ 1000.103 How may IHBG funds be used for tenant-based or project-based rental assistance?

(a) IHBG funds may be used for project-based or tenant-based rental assistance.

(b) IHBG funds may be used for project-based or tenant-based rental assistance that is provided in a manner consistent with section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f).

(c) IHBG funds used for project-based or tenant-based rental assistance must comply with the requirements of NAHASDA and this part.

[72 FR 59004, Oct. 18, 2007]

§ 1000.104 What families are eligible for affordable housing activities?

The following families are eligible for affordable housing activities:

(a) Low income Indian families on a reservation or Indian area.

(b) A non-low income Indian family may receive housing assistance in accordance with § 1000.110, except that non low-income Indian families residing in housing assisted under the 1937 Act do not have to meet the requirements of § 1000.110 for continued occupancy.

(c) A non-Indian family may receive housing assistance on a reservation or Indian area if the non-Indian family's housing needs cannot be reasonably met without such assistance and the recipient determines that the presence of that family on the reservation or Indian area is essential to the well-being of Indian families, except that non-Indian families residing in housing assisted under the 1937 Act do not have to meet these requirements for continued occupancy.

§ 1000.106 What families receiving assistance under title II of NAHASDA require HUD approval?

(a) Housing assistance for non low-income Indian families requires HUD approval only as required in §§ 1000.108 and 1000.110.

(b) Assistance under section 201(b)(3) of NAHASDA for non-Indian families does not require HUD approval but only requires that the recipient determine that the presence of that family on the reservation or Indian area is essential to the well-being of Indian families and the non-Indian family's housing needs cannot be reasonably met without such assistance.

§ 1000.108 How is HUD approval obtained by a recipient for housing for non low-income Indian families and model activities?

Recipients are required to submit proposals to operate model housing activities as defined in section 202(6) of NAHASDA and to provide assistance to non low-income Indian families in accordance with section 201(b)(2) of NAHASDA. Assistance to non low-income Indian families must be in accordance with § 1000.110. Proposals may be submitted in the recipient's IHP or at any time by amendment of the IHP, or by special request to HUD at any time. HUD may approve the remainder of an IHP notwithstanding disapproval of a model activity or assistance to non low-income Indian families.

§ 1000.110 Under what conditions may non low-income Indian families participate in the program?

(a) A family who is purchasing housing under a lease purchase agreement and who was low income at the time the lease was signed is eligible without further conditions.

(b) A recipient may provide the following types of assistance to non low-income Indian families under the conditions specified in paragraphs (c), (d) and (e) of this section:

(1) Homeownership activities under section 202(2) of NAHASDA, which may include assistance in conjunction with loan guarantees under the Section 184 program (see 24 CFR part 1005);

(2) Model activities under section 202(6) of NAHASDA; and

(3) Loan guarantee activities under title VI of NAHASDA.

(c) A recipient must determine and document that there is a need for housing for each family which cannot reasonably be met without such assistance.

(d) A recipient may use up to 10 percent of its annual grant amount for families whose income falls within 80 to 100 percent of the median income without HUD approval. HUD approval is required if a recipient plans to use more than 10 percent of its annual grant amount for such assistance or to provide housing for families with income over 100 percent of median income.

(e) Non low-income Indian families cannot receive the same benefits provided low-income Indian families. The amount of assistance non low-income Indian families may receive will be determined as follows:

(1) The rent (including homebuyer payments under a lease purchase agreement) to be paid by a non low-income Indian family cannot be less than: (Income of non low-income family/Income of family at 80 percent of median income) × (Rental payment of family at 80 percent of median income), but need not exceed the fair market rent or value of the unit.

(2) Other assistance, including down payment assistance, to non low-income Indian families, cannot exceed: (Income of family at 80 percent of median income/Income of non low-income family) × (Present value of the assistance provided to family at 80 percent of median income).

(f) The requirements set forth in paragraph (e) of this section do not apply to non low-income Indian families which the recipient has determined to be essential to the well-being of the Indian families residing in the housing area.

§ 1000.112 How will HUD determine whether to approve model housing activities?

HUD will review all proposals with the goal of approving the activities and encouraging the flexibility, discretion, and self-determination granted to Indian tribes under NAHASDA to formulate and operate innovative housing programs that meet the intent of NAHASDA.

§ 1000.114 How long does HUD have to review and act on a proposal to provide assistance to non low-income Indian families or a model housing activity?

Whether submitted in the IHP or at any other time, HUD will have sixty calendar days after receiving the proposal to notify the recipient in writing that the proposal to provide assistance to non low-income Indian families or for model activities is approved or disapproved. If no decision is made by HUD within sixty calendar days of receiving the proposal, the proposal is deemed to have been approved by HUD.

§ 1000.116 What should HUD do before declining a proposal to provide assistance to non low-income Indian families or a model housing activity?

HUD shall consult with a recipient regarding the recipient's proposal to provide assistance to non low-income Indian families or a model housing activity. To the extent resources are available, HUD shall provide technical assistance to the recipient in amending and modifying the proposal if necessary. In case of a denial, HUD shall give the specific reasons for the denial.

§ 1000.118 What recourse does a recipient have if HUD disapproves a proposal to provide assistance to non low-income Indian families or a model housing activity?

(a) Within thirty calendar days of receiving HUD's denial of a proposal to provide assistance to non low-income Indian families or a model housing activity, the recipient may request reconsideration of the denial in writing. The request shall set forth justification for the reconsideration.

(b) Within twenty calendar days of receiving the request, HUD shall reconsider the recipient's request and either affirm or reverse its initial decision in writing, setting forth its reasons for the decision. If the decision was made by the Assistant Secretary, the decision will constitute final agency action. If the decision was made at a lower level, then paragraphs (c) and (d) of this section will apply.

(c) The recipient may appeal any denial of reconsideration by filing an appeal with the Assistant Secretary with-

in twenty calendar days of receiving the denial. The appeal shall set forth the reasons why the recipient does not agree with HUD's decision and set forth justification for the reconsideration.

(d) Within twenty calendar days of receipt of the appeal, the Assistant Secretary shall review the recipient's appeal and act on the appeal, setting forth the reasons for the decision.

§ 1000.120 May a recipient use Indian preference or tribal preference in selecting families for housing assistance?

Yes. The IHP may set out a preference for the provision of housing assistance to Indian families who are members of the Indian tribe or to other Indian families if the recipient has adopted the preference in its admissions policy. The recipient shall ensure that housing activities funded under NAHASDA are subject to the preference.

§ 1000.122 May NAHASDA grant funds be used as matching funds to obtain and leverage funding, including any Federal or state program and still be considered an affordable housing activity?

There is no prohibition in NAHASDA against using grant funds as matching funds.

§ 1000.124 What maximum and minimum rent or homebuyer payment can a recipient charge a low-income rental tenant or homebuyer residing in housing units assisted with NAHASDA grant amounts?

A recipient can charge a low-income rental tenant or homebuyer rent or homebuyer payments not to exceed 30 percent of the adjusted income of the family. The recipient may also decide to compute its rental and homebuyer payments on any lesser percentage of adjusted income of the family. This requirement applies only to units assisted with NAHASDA grant amounts. NAHASDA does not set minimum rents or homebuyer payments; however, a recipient may do so.

§ 1000.126 May a recipient charge flat or income-adjusted rents?

Yes, providing the rental or homebuyer payment of the low-income family does not exceed 30 percent of the family's adjusted income.

§ 1000.128 Is income verification required for assistance under NAHASDA?

(a) Yes, the recipient must verify that the family is income eligible based on anticipated annual income. The family is required to provide documentation to verify this determination. The recipient is required to maintain the documentation on which the determination of eligibility is based.

(b) The recipient may require a family to periodically verify its income in order to determine housing payments or continued occupancy consistent with locally adopted policies. When income verification is required, the family must provide documentation which verifies its income, and this documentation must be retained by the recipient.

§ 1000.130 May a recipient charge a non low-income family rents or homebuyer payments which are more than 30 percent of the family's adjusted income?

Yes. A recipient may charge a non low-income family rents or homebuyer payments which are more than 30 percent of the family's adjusted income.

§ 1000.132 Are utilities considered a part of rent or homebuyer payments?

Utilities may be considered a part of rent or homebuyer payments if a recipient decides to define rent or homebuyer payments to include utilities in its written policies on rents and homebuyer payments required by section 203(a)(1) of NAHASDA. A recipient may define rents and homebuyer payments to exclude utilities.

§ 1000.134 When may a recipient (or entity funded by a recipient) demolish or dispose of current assisted stock?

(a) A recipient (or entity funded by a recipient) may undertake a planned demolition or disposal of current as-

sisted stock owned by the recipient or an entity funded by the recipient when:

(1) A financial analysis demonstrates that it is more cost-effective or housing program-effective for the recipient to demolish or dispose of the unit than to continue to operate or own it; or

(2) The housing unit has been condemned by the government which has authority over the unit; or

(3) The housing unit is an imminent threat to the health and safety of housing residents; or

(4) Continued habitation of a housing unit is inadvisable due to cultural or historical considerations.

(b) No action to demolish or dispose of the property other than performing the analysis cited in paragraph (a) of this section can be taken until HUD has been notified in writing of the recipient's intent to demolish or dispose of the housing units consistent with section 102(c)(4)(H) of NAHASDA. The written notification must set out the analysis used to arrive at the decision to demolish or dispose of the property and may be set out in a recipient's IHP or in a separate submission to HUD.

(c) In any disposition sale of a housing unit, a sale process designed to maximize the sale price will be used. However, where the sale is to a low-income Indian family, the home may be disposed of without maximizing the sale price so long as such price is consistent with a recipient's IHP. The sale proceeds from the disposition of any housing unit are program income under NAHASDA and must be used in accordance with the requirements of NAHASDA and these regulations.

§ 1000.136 What insurance requirements apply to housing units assisted with NAHASDA grants?

(a) The recipient shall provide adequate insurance either by purchasing insurance or by indemnification against casualty loss by providing insurance in adequate amounts to indemnify the recipient against loss from fire, weather, and liability claims for all housing units owned or operated by the recipient.

(b) The recipients shall not require insurance on units assisted by grants to families for privately owned housing if there is no risk of loss or exposure to

§ 1000.138

the recipient or if the assistance is in an amount less than \$5000, but will require insurance when repayment of all or part of the assistance is part of the assistance agreement.

(c) The recipient shall require contractors and subcontractors to either provide insurance covering their activities or negotiate adequate indemnification coverage to be provided by the recipient in the contract.

(d) These requirements are in addition to applicable flood insurance requirements under § 1000.38.

§ 1000.138 What constitutes adequate insurance?

Insurance is adequate if it is a purchased insurance policy from an insurance provider or a plan of self-insurance in an amount that will protect the financial stability of the recipient's IHBG program. Recipients may purchase the required insurance without regard to competitive selection procedures from nonprofit insurance entities which are owned and controlled by recipients and which have been approved by HUD.

§ 1000.139 What are the standards for insurance entities owned and controlled by recipients?

(a) *General.* A recipient may provide insurance coverage required by section 203(c) of NAHASDA and §§ 1000.136 and 1000.138 through a self-insurance plan, approved by HUD in accordance with this section, provided by a nonprofit insurance entity that is wholly owned and controlled by IHBG recipients.

(b) *Self-insurance plan.* An Indian housing self-insurance plan must be shown to meet the requirements of paragraph (c) of this section.

(c) *Application.* For a self-insurance plan to be approved by HUD, an application and supporting materials must be submitted containing the information specified in paragraphs (c)(1) through (c)(9) of this section. Any material changes made to these documents after initial approval must be submitted to HUD. Adverse material changes may cause HUD to revoke its approval of a self-insurance entity. The application submitted to HUD must show that:

24 CFR Ch. IX (4-1-12 Edition)

(1) The plan is organized as an insurance entity, tribal self-insurance plan, tribal risk retention group, or Indian housing self-insurance risk pool;

(2) The plan limits participation to IHBG recipients;

(3) The plan operates on a nonprofit basis;

(4)(i) The plan employs or contracts with a third party to provide competent underwriting and management staff;

(A) The underwriting staff must be composed of insurance professionals with an average of at least five years of experience in large risk commercial underwriting exceeding \$100,000 in annual premiums or at least five years of experience in underwriting risks for public entity plans of self-insurance;

(B) The management staff must have at least one senior manager who has a minimum of five years of insurance experience at the level of vice president of a property or casualty insurance entity; as a senior branch manager of a branch office with annual property or casualty premiums exceeding five million dollars; or as a senior manager of a public entity self-insurance risk pool;

(ii) Satisfaction of this requirement may be demonstrated by evidence such as résumés and employment history of the underwriting staff for the plan and of the key management staff with day-to-day operational oversight of the plan;

(5) The plan maintains internal controls and cost containment measures, as shown by the annual budget;

(6) The plan maintains sound investments consistent with its articles of incorporation, charter, bylaws, risk pool agreement, or other applicable organizational document or agreement concerning investments;

(7) The plan maintains adequate surplus and reserves, as determined by HUD, for undischarged liabilities of all types, as shown by a current audited financial statement and an actuarial review conducted in accordance with paragraph (e) of this section;

(8) The plan has proper organizational documentation, as shown by copies of the articles of incorporation, charter, bylaws, subscription agreement, business plan, contracts with

third-party administrators, and other organizational documents; and

(9) A plan's first successful application for approval under this section must also include an opinion from the plan's legal counsel that the plan is properly chartered, incorporated, or otherwise formed under applicable law.

(d) *HUD consideration of plan.* HUD will consider an application for approval of a self-insurance plan submitted under this section and approve or disapprove that application no later than 90 days from the date of receipt of a complete application. If an application is disapproved, HUD shall notify the applicant of the reasons for disapproval and may offer technical assistance to a recipient to help the recipient correct the deficiencies in the application. The recipient may then resubmit the application under this section.

(e) *Annual reporting.* An approved plan must undergo an audit and actuarial review annually. In addition, an evaluation of the plan's management must be performed by an insurance professional every three years. These audits, actuarial reviews, and management reviews must be submitted to HUD within 90 days after the end of the insuring entity's fiscal year and be prepared in accordance with the following standards:

(1) The annual financial statement must be prepared in accordance with generally accepted accounting principles (GAAP) and audited by an independent auditor in accordance with generally accepted government auditing standards. The independent auditor shall state in writing an opinion on whether the plan's financial statement is presented fairly, in accordance with GAAP;

(2) The actuarial review of the plan shall be done consistently with requirements established by the Association of Governmental Risk Pools and conducted by an independent property or casualty actuary who is a member of a recognized professional actuarial organization, such as the American Academy of Actuaries. The report issued and submitted to HUD must include the actuary's written opinion on any over- or under-reserving and the adequacy of the reserve maintained for

open claims and for incurred but unreported claims;

(3) The management review must be prepared by an independent insurance consultant who has received the professional designation of a chartered property/casualty underwriter (CPCU), associate in risk management (ARM), or associate in claims (AIC), and must cover the following:

(i) The efficiency of the management or third-party administrator of the plan;

(ii) Timeliness of the claim payments and reserving practices; and

(iii) The adequacy of reinsurance or excess insurance coverage.

(f) *Revocation of approval.* HUD may revoke its approval of a plan under this section when the plan no longer meets the requirements of this section. The plan's management will be notified in writing of the proposed revocation of its approval and of the manner and time in which to request a hearing to challenge the determination, in accordance with the dispute resolution procedures set forth in this part for model housing activities (§1000.118).

(g) *Preemption.* In order that tribally owned Indian housing insurance entities that provide insurance for IHBG-assisted housing will not be subject to conflicting state laws and widely varying and costly requirements, any self-insurance plan under this section that meets the requirements of this section and that has been approved by HUD shall be governed by the regulations of this subpart in its provision of insurance for IHBG-assisted housing.

[72 FR 29740, May 29, 2007]

§ 1000.140 May a recipient use grant funds to purchase insurance for privately owned housing to protect NAHASDA grant amounts spent on that housing?

Yes. All purchases of insurance must be in accordance with §§1000.136 and 1000.138.

§ 1000.142 What is the "useful life" during which low-income rental housing and low-income homebuyer housing must remain affordable as required in sections 205(a)(2) and 209 of NAHASDA?

Each recipient shall describe in its IHP its determination of the useful life

§ 1000.144

of each assisted housing unit in each of its developments in accordance with the local conditions of the Indian area of the recipient. By approving the plan, HUD determines the useful life in accordance with section 205(a)(2) of NAHASDA and for purposes of section 209.

§ 1000.144 Are Mutual Help homes developed under the 1937 Act subject to the useful life provisions of section 205(a)(2)?

No.

§ 1000.146 Are homebuyers required to remain low-income throughout the term of their participation in a housing program funded under NAHASDA?

No. The low-income eligibility requirement applies only at the time of purchase. However, families purchasing housing under a lease purchase agreement who are not low-income at the time of purchase are eligible under § 1000.110.

§ 1000.150 How may Indian tribes and TDHEs receive criminal conviction information on adult applicants or tenants?

(a) As required by section 208 of NAHASDA, the National Crime Information Center, police departments, and other law enforcement agencies shall provide criminal conviction information to Indian tribes and TDHEs upon request. Information regarding juveniles shall only be released to the extent such release is authorized by the law of the applicable state, Indian tribe or locality.

(b) For purposes of this section, the term “tenants” includes homebuyers who are purchasing a home pursuant to a lease purchase agreement.

§ 1000.152 How is the recipient to use criminal conviction information?

The recipient shall use the criminal conviction information described in § 1000.150 only for applicant screening, lease enforcement and eviction actions. The information may be disclosed only to any person who has a job related need for the information and who is an authorized officer, employee, or representative of the recipient or the

24 CFR Ch. IX (4–1–12 Edition)

owner of housing assisted under NAHASDA.

§ 1000.154 How is the recipient to keep criminal conviction information confidential?

(a) The recipient will keep all the criminal conviction record information it receives from the official law enforcement agencies listed in § 1000.150 in files separate from all other housing records.

(b) These criminal conviction records will be kept under lock and key and be under the custody and control of the recipient’s housing executive director/lead official and/or his designee for such records.

(c) These criminal conviction records may only be accessed with the written permission of the Indian tribe’s or TDHE’s housing executive director/lead official and/or his designee and are only to be used for the purposes stated in section 208 of NAHASDA and these regulations.

§ 1000.156 Is affordable housing developed, acquired, or assisted under the IHBG program subject to limitations on cost or design standards?

Yes. Affordable housing must be of moderate design. For these purposes, moderate design is defined as housing that is of a size and with amenities consistent with unassisted housing offered for sale in the Indian tribe’s general geographic area to buyers who are at or below the area median income. The local determination of moderate design applies to all housing assisted under an affordable housing activity, including development activities (*e.g.*, acquisition, new construction, reconstruction, moderate or substantial rehabilitation of affordable housing and homebuyer assistance) and model activities. Acquisition includes assistance to a family to buy housing. Units with the same number of bedrooms must be comparable with respect to size, cost and amenities.

[66 FR 49790, Sept. 28, 2001]

§ 1000.158 How will a NAHASDA grant recipient know that the housing assisted under the IHBG program meets the requirements of § 1000.156?

(a) A recipient must use one of the methods specified in paragraph (b) or (c) of this section to determine if an assisted housing project meets the moderate design requirements of § 1000.156. For purposes of this requirement, a project is one or more housing units, of comparable size, cost, amenities and design, developed with assistance provided by the Act.

(b) The recipient may adopt written standards for its affordable housing programs that reflect the requirement specified in § 1000.156. The standards must describe the type of housing, explain the basis for the standards, and use similar housing in the Indian tribe's general geographic area. For each affordable housing project, the recipient must maintain documentation substantiating compliance with the adopted housing standards. The standards and documentation substantiating compliance for each activity must be available for review by the general public and, upon request, by HUD. Prior to awarding a contract for the construction of housing or beginning construction using its own workforce, the recipient must complete a comparison of the cost of developing or acquiring/rehabilitating the affordable housing with the limits provided by the TDC discussed in paragraph (c) of this section and may not, without prior HUD approval, exceed by more than 10 percent the TDC maximum cost for the project. In developing standards under this paragraph, the recipient must establish, maintain, and follow policies that determine a local definition of moderate design which considers:

- (1) Gross area;
- (2) Total cost to provide the housing;
- (3) Environmental concerns and mitigations;
- (4) Climate;
- (5) Comparable housing in geographical area;
- (6) Local codes, ordinances and standards;
- (7) Cultural relevance in design;
- (8) Design and construction features that are reasonable, and necessary to

provide decent, safe, sanitary and affordable housing; and

(9) Design and construction features that are accessible to persons with a variety of disabilities.

(c) If the recipient has not adopted housing standards specified in paragraph (b) of this section, Total Development Cost (TDC) limits published periodically by HUD establish the maximum amount of funds (from all sources) that the recipient may use to develop or acquire/rehabilitate affordable housing. The recipient must complete a comparison of the cost of developing or acquiring/rehabilitating the affordable housing with the limits provided by the TDC and may not, without prior HUD approval, exceed the TDC maximum cost for the project.

[66 FR 49790, Sept. 28, 2001]

§ 1000.160 Are non-dwelling structures developed, acquired or assisted under the IHBG program subject to limitations on cost or design standards?

Yes. Non-dwelling structures must be of a design, size and with features or amenities that are reasonable and necessary to accomplish the purpose intended by the structures. The purpose of a non-dwelling structure must be to support an affordable housing activity, as defined by the Act.

[66 FR 49790, Sept. 28, 2001]

§ 1000.162 How will a recipient know that non-dwelling structures assisted under the IHBG program meet the requirements of 1000.160?

(a) The recipient must use one of the methods described in paragraph (b) or (c) of this section to determine if a non-dwelling structure meets the limitation requirements of § 1000.160. If the recipient develops, acquires, or rehabilitates a non-dwelling structure with funds from NAHASDA and other sources, then the cost limit standard established under these regulations applies to the entire structure. If funds are used from two different sources, the standards of the funding source with the more restrictive rules apply.

(b)(1) The recipient may adopt written standards for non-dwelling structures. The standards must describe the

§ 1000.201

type of structures and must clearly describe the criteria to be used to guide the cost, size, design, features, amenities, performance or other factors. The standards for such structures must be able to support the reasonableness and necessity for these factors and to clearly identify the affordable housing activity that is being provided.

(2) When the recipient applies a standard to particular structures, it must document the following: (i) Identification of targeted population to benefit from the structures;

(ii) Identification of need or problem to be solved;

(iii) Affordable housing activity provided or supported by the structures;

(iv) Alternatives considered;

(v) Provision for future growth and change;

(vi) Cultural relevance of design;

(vii) Size and scope supported by population and need;

(viii) Design and construction features that are accessible to persons with a variety of disabilities;

(ix) Cost; and

(x) Compatibility with community infrastructure and services.

(c) If the recipient has not adopted program standards specified in paragraph (b) of this section, then it must demonstrate and document that the non-dwelling structure is of a cost, size, design and with amenities consistent with similarly designed and constructed structures in the recipient's general geographic area.

[66 FR 49790, Sept. 28, 2001]

Subpart C—Indian Housing Plan (IHP)

§ 1000.201 How are funds made available under NAHASDA?

Every fiscal year HUD will make grants under the IHBG program to recipients who have submitted to HUD for that fiscal year an IHP in accordance with § 1000.220 to carry out affordable housing activities.

§ 1000.202 Who are eligible recipients?

Eligible recipients are Indian tribes, or TDHEs when authorized by one or more Indian tribes.

24 CFR Ch. IX (4–1–12 Edition)

§ 1000.204 How does an Indian tribe designate itself as recipient of the grant?

(a) By resolution of the Indian tribe; or

(b) When such authority has been delegated by an Indian tribe's governing body to a tribal committee(s), by resolution or other written form used by such committee(s) to memorialize the decisions of that body, if applicable.

§ 1000.206 How is a TDHE designated?

(a)(1) By resolution of the Indian tribe or Indian tribes to be served; or

(2) When such authority has been delegated by an Indian tribe's governing body to a tribal committee(s), by resolution or other written form used by such committee(s) to memorialize the decisions of that body, if applicable.

(b) In the absence of a designation by the Indian tribe, the default designation as provided in section 4(21) of NAHASDA shall apply.

§ 1000.208 What happens if an Indian tribe had two IHAs as of September 30, 1996?

Indian tribes which had established and were operating two IHAs as of September 30, 1996, under the 1937 Act shall be allowed to form and operate two TDHEs under NAHASDA. Nothing in this section shall affect the allocation of funds otherwise due to an Indian tribe under the formula.

§ 1000.210 What happens to existing 1937 Act units in those jurisdictions for which Indian tribes do not or cannot submit an IHP?

NAHASDA does not provide the statutory authority for HUD to grant NAHASDA grant funds to an Indian housing authority, Indian tribe or to a default TDHE which cannot obtain a tribal certification, if the requisite IHP is not submitted by an Indian tribe or is determined to be out of compliance by HUD. There may be circumstances where this may happen, and in those cases, other methods of tribal, Federal, or private market support may have to be sought to maintain and operate those 1937 Act units.
